GENERAL SECRETARIAT.

Notification dated 5th March 1949.

No. S. R. 4576—L. W. 27-48-22. Under Section 12 (4) of the Mysore Labour Act XIII of 1942, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore, Bangalore, in respect of the failure of conciliation proceedings in the dispute between the Tannery Workers Association, Jeevanahalli, Hebbal, and the Mysore State's Hides and Skins Merchants and Tanners' Association, 74, Commercial Street, Bangalore, in regard to a notice of change given by the former to the Secretary of the latter Association on 29th October 1948.

MIR SAFDAR HUSSAIN, *Genl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

No. C. C. 17—48.

Dated 21st February 1949.

To,

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General Department, Bangalore.

SIR,

These are proceedings under Section 12 of the Mysore Labour Act.

On 29th October 1948 the Tannery Workers' Association, Jeevanahalli, Hebbal, gave the following Notice of Change to the Secretary of the Mysore State Hides and Skins Merchants and Tanners Association, 74, Commercial Street, Bangalore under Section 10 (2) of the Labour Act.

"We demand that all workers be paid 2 months Wages as bonus before the end of the 1st week of January 1949 (a week before Pongal)".

In the usual course the Assistant Commissioner of Labour, Bangalore Division, took up negotiations with the parties concerned. On 10th January 1949 he met the Secretary of the Labour Association but no representative of the Proprietors turned up, though he had notice. He was unable to conduct any negotiations in the absence of one of the

was coming to a close, the case was referred through the Commissioner of Labour to this Office for initiating conciliation proceedings.

The date fixed for the proceedings was 16th February 1949. That day Mr. M. Daniel, the Secretary of the Labour Association was present but there was no representative of the Tanners' Association. Accordingly the case was adjourned to the 21st February 1949 and a fresh notice issued to the Tanners' Association.

To-day Sri M. A. Kantha Raj, Assistant Secretary of the Tanners' Association is present with two of its members. Mr. Daniel is absent and no one else has appeared on behalf of the Labour Association. One version is that Mr. Daniel is a communist and that the Police are after him.

The Assistant Secretary of the Tanners' Association filed before me a copy of his letter dated 6th January 1949, addressed to the Commissioner of Labour intimating that at its General Body Meeting, held on 3rd January 1949, a resolution had been passed by the Association giving one months' bonus to the employees as explained below:—

1. The Tannery Labourers, whose attendance for work from 19th January 1948 to 31st December 1948 is or above 240 days, shall be paid an Attendance Bonus of a month's salary for the year 1948.
2. The Tannery Labourers who are employed in tanneries that have commenced work after 19th January 1948 shall be paid an attendance bonus of an amount proportion to a month's salary for 240 days' attendance in a year, for the period ending 31st December 1948, if their attendance is not less than 20 days a month averagely".

It appears that after the introduction of the Prohibition of Cow's Slaughter Act into the Mysore State many Tanneries have gone out of business. It is stated that out of 41 Tanneries only 28 are now working intermittently while those working regularly are only twelve. Owing to transport difficulties and high costs it has become difficult to import hides and tanning materials from outside. Nearly all the Tanneries are reported to be working at a loss. It is made clear that until there is a radical change in the situation it is impossible for any of the Tanneries to think of giving further relief.
